Subject: Public Meeting Date for Proposed Operating Order for Rest Lake Dam

Dear Mr. Dillon:

Thank you for contacting Secretary Stepp and I about the public informational meetings related to the proposed draft operating order for the Rest Lake Dam. We appreciate your interests in providing adequate opportunities for public input.

After carefully reviewing your request, it was determined that the public information meetings scheduled on June 27th at 12:30 pm and 6 pm at the Manitowish Waters Town Hall should be maintained. The meeting announcement was sent to over 1,500 citizens and interested organizations via the GovDelivery messaging system and many of those that received the email or viewed public notices may have made arrangements to attend.

However, we do appreciate your recommendation to hold a weekend informational meeting later in the summer. The date for the public informational meeting is scheduled for Saturday, August 16<sup>th</sup> at the Manitowish Waters Town Hall from 12:30 pm to 6:00 pm. We also are encouraging the submittal of written comments until September 5, 2014, by email to [DNRRestLake@Wisconsin.gov](mailto:DNRRestLake@Wisconsin.gov) or by mail to DNR Service Center, 2501 Golf Course Road, Ashland, WI 54806, Attention: John Spangberg.

If you have any questions, please contact me at (715) 635-4002.

Sincerely,

John Gozdziński  
Secretary's Director
